

**Notice to Architectural/Engineering Consultants
Request for Proposals**

Lincoln County Fire District #1
Request for Proposal
Furnish Architectural and Engineering Services

The Lincoln County Fire District #1 is requesting qualified architects and/or engineers to submit statements of proposals to perform a scope of work, which includes providing design and project management services for the construction of a new fire station to be located in Sprague, WA. The project budget, including construction, is approximately \$2,050,000, with plans and specifications complete by January 2011. For more information about the project and for complete submittal packet guidelines, contact: Scott Clemenson, Fire Chief, (509) 257-2926.

One or more firms will be selected for an interview based upon the following criteria categories, weighted as indicated: Qualification of key personnel (2); Relevant experience as demonstrated on previous projects (2); Previous performance (1); Expressed interest in the project (1); Washington State Certified Minority Enterprise Outreach Plan (0.5).

Firms desiring consideration shall submit a complete qualification package and any other pertinent data to further assist the selection committee in evaluating the firm's qualifications to: Lincoln County Fire District #1, Attn: Scott Clemenson, PO Box 278, Sprague, WA 99032. Qualification packages should be submitted to arrive no later than 5:00 PM on March 31, 2010.

The project is funded in part through the Washington State Community Development Block Grant Program with federal funds provided by the U.S. Department of Housing and Urban Development. The Lincoln County Fire District #1 is an equal opportunity and affirmative action employer. Minority- and women-owned firms are encouraged to submit proposals.
